

Acts 5:29 Then Peter and the other apostles answered and said, We ought to obey God rather than men.

Missions Statement

Being led of the Lord to reach the nation for righteousness sake by bringing attention to Biblical marriage and religious liberties, We Stand With God, was birthed. The present deluge of immorality and lawlessness which has taken the nation by storm must be addressed. The only way to stem the tide of this downward spiral is by combatting it with righteousness. The intent of WSWG is to rally citizens in public gatherings nationwide. These gatherings will draw national attention to the civil unrest that is growing in the hearts of this nation's citizens who love God and His Word. It is the desire of WSWG to coordinate meetings in each state so that the voice of the people may be heard. Elected officials must be taken to task regarding their responsibility to recognize the voice of the people in each individual state. States' rights have been trampled upon and the time for change has come.

WSWG is not an ecumenical movement but rather an outlet for citizens to express their conscience on matters of morality, Biblical marriage and religious liberties. WSWG is not asking anyone to compromise their doctrinal beliefs but rather, WSWG believes that citizens must stand unified in the spirit of our Founders who chose the Bible as the litmus test for law and personal rights. Therefore, WSWG will exalt the Bible as its final authority for faith and practice. Finally, WSWG will coordinate with public officials so that the voice of the people may be heard.

Purpose:

1. Rally

WSWG will facilitate state-to-state rallies for the purpose of publicly honoring God and His Word. A public rally will also allow the voice of the citizen to be heard in unison with those who are of the same heart and mind.

2. Reach

WSWG is intent upon changing our nation by personally engaging publicly elected officials on matters of Biblical marriage, religious liberties and conformity to the U.S. Constitution. Elected officials in each state will be lobbied to support conservative legislation and legislation that will ensure the religious liberties of their constituents.

3. Restore

WSWG will Pray, Preach, Plan, Prepare, and Promote righteousness and religious liberties in hope of restoring the United States of America to the republic that God and our Founding Fathers intended.
